ANTC – SINCE 1976

About Us

Abu Naman Trading & Contracting (ANTC) is a trusted contracting company, dedicated to delivering high-quality construction, interior fit-out, gypsum, and false ceiling solutions across Oman. We combine skilled craftsmanship, modern techniques, and a commitment to excellence to transform residential, commercial, and industrial spaces into functional and visually appealing environments.

With a focus on quality, safety, and customer satisfaction, ANTC works closely with clients to understand their requirements and deliver solutions that meet both design expectations and project objectives. From concept to completion, our team ensures every project is executed with professionalism, precision, and attention to detail.

Our expertise spans gypsum and false ceiling installations, decorative wall and ceiling designs, interior finishing works, renovations, and general contracting services. Through reliable project management and a dedication to timely delivery, we strive to build long-term relationships based on trust, performance, and outstanding results.
